## A Student's Guide to Successful Remote Learning at Los Lunas High School

### What will my day of learning look like?

Students will attend fifty (50) minute Zoom classes scheduled from 8 a.m.-12 p.m. on Mondays, Tuesdays, Thursdays, and Fridays. The link for those classes will be available on Canvas. Additional homework or assignments will need to be completed outside of the Zoom class sessions. English and Math classes will meet 4 times each week and Science and Social Studies. Students may also be enrolled in a modern language class, APEX elective class, and/or APEX credit recovery class. All students should refer to their personalized Week at a Glance schedule for guidance.

### What if I need extra help?

Teachers will provide scheduled office hours for additional help and/or support. Each core content area will also provide a designated afternoon Zoom session each week for targeted support for specific skills. Counselors will be available daily from 7:30 a.m. - 2:30 p.m. for students in need of academic, personal/social, and college/career guidance.
